**THE HON'BLE THE CHIEF COMMISSIONER OF BRITISH
BALUCHISTAN.**

NOTIFICATION.

Quetta, the 8th January 1912.

No. 152-R.—In exercise of the powers conferred on him by clause (b) of sub-section (1) of section 88 of the British Baluchistan Bazars Regulations, 1910 (V of 1910), the Chief Commissioner of British Baluchistan is pleased to make the following rules for the management and regulation of the Provident Fund established for the officers and servants paid from the Sibi Bazar Fund, with effect from the 1st April 1912 :—

PROVIDENT FUND RULES.

1. In the following rules :—

- (1) "Salary" means monthly salary, and does not include travelling, conveyance or personal allowances.
- (2) "Servant" includes every non-pensionable employé having a substantive office paid from the Sibi Bazar Fund.
- (3) "Depositor" means a servant on whose behalf a deposit is made under these rules.
- (4) "Interest" means the interest which is paid on a deposit at a Government Savings Bank under the rules in force for such institution.

2. Every servant appointed or promoted by the Deputy Commissioner on or after the date from which these rules come into effect in the Sibi Bazar to an office of which the salary is not less than Rs 20 shall be required to subscribe at the rate of 6½ per cent. or one anna in the rupee, on his salary, to a Provident Fund, of which an account will be opened at the Post Office Savings Bank. A servant appointed or promoted previous to the coming into effect of these rules to an office of which the salary is not less than Rs 20 may be permitted by the Deputy Commissioner to subscribe to the Fund. The deduction shall be made by the Deputy Commissioner upon every salary bill presented, and shall be credited at once to the Fund. In making this deduction fractions of a rupee of salary should be omitted.

3. The Deputy Commissioner shall make a contribution to the deposit account of each depositor equal to one-half of the amount of the deduction made from his salary under the preceding rule. Such contribution shall be credited to the Fund month by month, in favour of such servant, together with the deduction from his salary. The contribution will be charged in the Bazar Accounts to "F.—Miscellaneous," sub-head "5—Provident Fund."

4. The sums credited monthly under rules 2 and 3 to the Provident Fund Ledger maintained by the Extra Assistant Commissioner, Sibi, shall be paid duly into the Post Office Savings Bank. Such payments should, whenever possible, be made into the Bank between the 1st and 4th of each month, in order that interest may accrue.

5. The deposits and contributions, with interest thereon, at the credit of any servant may be withdrawn :—

- (1) On the decease of the depositor, when the amount shall be paid to his legal heirs.
- (2) On his ceasing to be a servant of the Fund either by resignation or by transfer to service under some other Local Fund or to Government Service, when the amount shall be paid to the servant himself.

6. If a servant is dismissed, the Deputy Commissioner may, with the sanction of the Revenue Commissioner, withhold all or any part of the contribution allotted to him with the interest accrued thereon, and pay the servant only the balance at his credit without such contribution and the interest thereon. In the case of there being any outstanding against a servant who may have resigned or been dismissed, the Deputy Commissioner may deduct the amount of such outstanding from his deposits, and pay him the balance only after such deduction.

7. Any contribution and interest thereon withheld from a dismissed servant shall belong to the Sibi Bazar Fund.

8. A separate account in form A appended shall be kept and written up in the office of the Extra Assistant Commissioner, Sibi, on account of every depositor, and a copy of this account, which shall show every payment credited, with the interest thereon, shall be furnished to every depositor as soon as possible after the close of the financial year to which the account relates.

9. Amounts credited or debited to the Provident Fund shall, on the same day, be posted into the Provident Fund Ledger, in Form B, appended, in full detail. The figures for column 8 of the Ledger must be calculated monthly, and the net balance of each account entered in columns 5 and 9; but the figures in the columns can be proved only once a year with the Savings Bank Pass Book. Great care should, therefore, be taken to make the monthly calculation according to the rules in force in the Post Office. The Provident Fund Ledger shall have separate pages for each month's transactions.

10. No deposits other than those prescribed by the rules will be credited to the President Fund.

11. Servants are not eligible to subscribe to the Provident Fund while absent on leave other than privilege leave.

12. On a depositor leaving the service, his account shall be closed, and unless the amount at his credit be withdrawn within a certain period, *viz.*, for balances of Rs 10 and under, one year; for balances over Rs 10, three years; it shall be written off as a dead account, and repaid only under the orders of the Revenue Commissioner in Baluchistan.

13. When accounts become "dead" they must be removed from the Provident Fund Ledger and be credited in the Cash Book as a miscellaneous receipt, the money being drawn out of the Savings Bank. On an amount being thus written off, it should be entered in a "dead account" register, in which subsequent repayment shall be noted in order to avoid a double payment.
